

WASA 2017

**2nd International Workshop on Automatic Sentiment Analysis in the Wild
23 October 2017, San Antonio, Texas, USA**

Tentative Program:

08h30-08h40 Welcome

08h40-09h10 Keynote (**Sidney D'Mello**): TBA

09h10-09h30 **A Multigranularity Data Augmentation based Fusion Neural Network Model for Short Text Sentiment Analysis.** Xiao Sun; Jiajin He; Changqin Quan

09h30-09h50 **Sentiment Analysis Using Imagebased Deep Spectrum Features.** Shahin Amiriparian; Nicholas Cummins; Sandra Ottl; Maurice Gerczuk; Björn Schuller

09h50-10h10 **Deep Neural Networks for Anger Detection from Real Life Speech Data.** Jun Deng; Florian Eyben; Björn Schuller; Felix Burkhardt

10h10-10h30 **Behavior Prediction InTheWild.** Christos Georgakis; Yannis Panagakis; Maja Pantic

10h30-11h00 Coffee break

11h00-11h30 Keynote (**Emily Mower Provost**): TBA

11h30-11h50 **Feature Selection in Multimodal Continuous Emotion Prediction.** Shahin Amiriparian; Michael Freitag; Nicholas Cummins; Björn Schuller

11h50-12h10 **Can a Machine Pass a Situational Judgment Test Measuring Personality Perception?** Lei Chen; Franklin Zaromb; Zhitong Yang; Chee Wee Leong; Michelle MartinRaugh

12h10-12h40 Keynote (**Carlos Busso**): "Speech Emotion Recognition: Are we there yet?"

12h40 End of the program

Conference/ Program Chairs:

Björn Schuller (University of Passau, DE), email: schuller@ieee.org

Hesam Sagha (audEERING, DE), email: hsagha@audeering.com

Maja Pantic (Imperial College London, UK), email: m.pantic@imperial.ac.uk

Ioannis Panagakis (University of Middlesex, UK), email: i.panagakis@imperial.ac.uk
